American History

Science

(Published under pen name Lee Jacobs.)

Nature

*(Living in a World of...* Each book covers ten animals that use camouflage techniques to survive in their particular habitat. White is about tundra and Arctic, Green covers jungle and wetlands, Blue is about ocean life, and Brown is desert and forest.)

*Wild America* series, (Published under pen name Lee Jacobs.)
Each of these 12 books introduces kids to familiar backyard animals. It covers the animal’s physical attributes, social habits, habitat, how it hunts and what it eats, animal babies, and interaction with humans.

*Wild, Wild World* series

*Regional Wild America* series

Other

(From Start to Finish books take kids on a virtual field trip to a factory to see how a popular item is manufactured.)
